

Statements required in notice if the proposed tax rate does not exceed the lower of the no-new-revenue tax rate or the voter-approval tax rate, as prescribed by Tax Code §26.061.

## NOTICE OF MEETING TO VOTE ON TAX RATE

A tax rate of \$ 0.554359 per \$100 valuation has been proposed by the governing body of  
Fisher County

PROPOSED TAX RATE	\$	<u>0.554359</u>	per \$100
NO-NEW-REVENUE TAX RATE	\$	<u>0.557407</u>	per \$100
VOTER-APPROVAL TAX RATE	\$	<u>0.554359</u>	per \$100

The no-new-revenue tax rate is the tax rate for the 2025 tax year that will raise the same amount  
(current tax year)  
of property tax revenue for Fisher County from the same properties in both  
(name of taxing unit)  
the 2024 tax year and the 2025 tax year.  
(preceding tax year) (current tax year)

The voter-approval tax rate is the highest tax rate that Fisher County may adopt without holding  
(name of taxing unit)  
an election to seek voter approval of the rate.

The proposed tax rate is not greater than the no-new-revenue tax rate. This means that Fisher County is not  
(name of taxing unit)  
proposing to increase property taxes for the 2025 tax year.  
(current tax year)

A PUBLIC MEETING TO VOTE ON THE PROPOSED TAX RATE WILL BE HELD ON September 8, 2025 @ 9:00 a.m.  
(date and time)  
at The 32nd Judicial District Courtroom 112 North Concho Roby Tx 79543  
(meeting place)

The proposed tax rate is also not greater than the voter-approval tax rate. As a result, Fisher County is not required  
(name of taxing unit)  
to hold an election to seek voter approval of the rate. However, you may express your support for or opposition to the proposed tax  
rate by contacting the members of the Commissioners of Fisher County at their offices or  
(name of governing body) (name of taxing unit)  
by attending the public meeting mentioned above.

YOUR TAXES OWED UNDER ANY OF THE TAX RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:

$$\text{Property tax amount} = (\text{tax rate}) \times (\text{taxable value of your property}) / 100$$

(List names of all members of the governing body below, showing how each voted on the proposed tax rate or, if one or more were absent, indicating absences.)

FOR the proposal: 4

AGAINST the proposal: 0

PRESENT and not voting: \_\_\_\_\_

ABSENT: \_\_\_\_\_

Visit [Texas.gov/PropertyTaxes](https://www.texas.gov/PropertyTaxes) to find a link to your local property tax database on which you can easily access information regarding your property taxes, including information about proposed tax rates and scheduled public hearings of each entity that taxes your property.

The 86th Texas Legislature modified the manner in which the voter-approval tax rate is calculated to limit the rate of growth of property taxes in the state.

The following table compares the taxes imposed on the average residence homestead by Fisher County last year  
(name of taxing unit)  
to the taxes proposed to be imposed on the average residence homestead by Fisher County this year.  
(name of taxing unit)

	2024	2025	Change
<b>Total tax rate (per \$100 of value)</b>	2024 adopted tax rate  <i>497.533</i>	2025 proposed tax rate  <i>554.359</i>	(Increase/Decrease) of (nominal difference between tax rate for preceding year and proposed tax rate for current year) per \$100, or (percentage difference between tax rate for preceding year and proposed tax rate for current year)% <i>11% increase</i>
<b>Average homestead taxable value</b>	2024 average taxable value of residence homestead  <i>61,747</i>	2025 average taxable value of residence homestead  <i>66,462</i>	(Increase/Decrease) of (percentage difference between average taxable value of residence homestead for preceding year and current year)% <i>7.63% increase</i>
<b>Tax on average homestead</b>	2024 amount of taxes on average taxable value of residence homestead  <i>497.53</i>	2025 amount of taxes on average taxable value of residence homestead  <i>554.36</i>	(Increase/Decrease) of (nominal difference between amount of taxes imposed on the average taxable value of a residence homestead in the preceding year and the amount of taxes proposed on the average taxable value of a residence homestead in the current year), or (percentage difference between taxes imposed for preceding year and taxes proposed for current year)% <i>11.42% increase</i>
<b>Total tax levy on all properties</b>	2024 levy <i>894,966,694</i>  <i>445,2754.64</i>	<i>846,624,792</i> (2025 proposed rate x current total value)/100  <i>469,3340.73</i>	(Increase/Decrease) of (nominal difference between preceding year levy and proposed levy for current year), or (percentage difference between preceding year levy and proposed levy for current year)% <i>5.40% increase</i>
